History	<p>Maw Taw Lu learning center was established in May, 2003 with 47 students. It became BMWEC member in 2007. Presently, there are 119 students and 6 teachers. It is a primary learning center which is located in Mae Ramat, Mae Sot. The learning centre takes curriculum from Karen Education Department (KED). Most of the students are Karen.</p>	
Main Problems	<ul style="list-style-type: none"> Funding, difficult communication, not enough classroom space. 	
Planned actions	Plan to get more classroom space and look for funding to keep open this school year	
Current donors	<p>From June to August we received very basic running costs from BMWEC general fund. From September we had half salary paid by an Australian person. But from October we don't know.</p>	
Budget	Our total budget is 369,735 baht. This does not include lunch
